### Scope of Services

- Existing Parcel Analysis
- Interactive Map Creation
- Zoning Update
- Collaborative Planning
- Development Planning

## OVERVIEW

In 2016, the Village of Calumet Park engaged Antero Group to assist in reviewing and modernizing the Village's Zoning Map. The goal of this effort was to streamline and simplify the existing Zoning Map, which was cumbersome and inconsistent with the Village's development priorities. Antero Group partnered with the South Suburban Mayors and Managers Association (SSMMA) to develop an ArcGIS Web-Map version of the Zoning Map.

## OUTCOMES

- An updated zoning map and ordinance.
- An interactive ArcGIS online WebMap.
- Lessons learned for developing and using an interactive, online zoning map.
